Friendly Farm Alpacas

Visiting Animals at Friendly Farm Alpacas

The information here should prepare you for bringing your alpaca to Friendly Farm Alpacas to Friendly Farm Alpacas for boarding or breeding. Please know that the requirements laid out in this memo are designed to protect both your animals and those already living at Friendly Farm Alpacas.

Please read and sign at the bottom indicating your agreement.

1. All animals will have health certificates including the following – lice check, fecal check and prebreeding exam if maidens.
2. All animals will be current with all vaccinations and worming medications and a copy of recent health records must be provided to Friendly Farm Alpacas.
3. All animals will be insured and will have to provide a certificate of insurance. If an animal is not insured the owner must provide a signed letter stating that insurance coverage has not been chosen and that Friendly Farm Alpacas is released of any liability.
4. All animals over one year must be registered and will provide a copy of the registration or in the case of a pending application, a copy of the application.
5. All animals over one year must be halter trained. Owner will retain halter and lead after delivering animal(s) to Friendly Farm Alpacas.
6. If animals arrive after May 1, they must be shorn prior to arrival.
7. The breeding fee includes 40 days boarding at Friendly Farm Alpacas for both dam and cria. After 40 days, the owner will be charged at the regular daily rate for boarding at Friendly Farm Alpacas.
8. All veterinary care will be administered by our local vet – Dr. Gary Darling, DVM, P.O. Box 14, Chico, CA 95927, (530) 892-8910 – and will be charged to the owner. For any medical emergencies, we will seek immediate care and will alert the owner as soon as possible but not at the jeopardy of the animal's health. All vet bills associated with animals visiting or boarding at Friendly Farm Alpacas are the responsibility of the animal owner and will be billed accordingly. Payment for veterinary care must be made within 30 days of billing.

I agree and understand the above requirements associated with bringing my alpaca to Friendly Farm Alpacas.
